

# How we behave at Church

Everyone wants to be safe at Church –  
so when we come together at Church we:

- Are **SAFE** - we keep hands and feet to ourselves and don't touch other people's things.
- Are **RESPECTFUL** - we follow the rules, wait our turn and listen when someone else is speaking.
- Are **LOVING** - we value everyone and include everyone.
- Are **KIND** - we are kind with our words, encouraging others and making them feel good with our words even when they are not present.
- Are **FRIENDLY** and we **CARE** for those who are new, don't know many people, or are being treated badly by others.
- **SAY SORRY** when we do something we shouldn't. We ask for forgiveness, and we are willing to **FORGIVE** others as well.

**All the leaders here care for you and want to help you.  
You can speak to a leader at any time if you need help.**
